Australian Fencing Federation President's Message

It's a pleasure to work with Fencing Victoria to launch the 2019 Australian Fencing Circuit open events with AFC #1, the D. H. McKenzie Tournament in Melbourne. On behalf of the Australian Fencing Federation (AFF), welcome to all fencers, officials, supporters and volunteers from around Australia.

We are all delighted to be in Melbourne again and look forward to enjoying its friendly and relaxed atmosphere. I wish everyone present good fencing, lots of fun and warm memories of the AFF's first Open tournament of the year.

I am sure Fencing Victoria will maintain the high standard of tournament organisation that we have all come to expect at our national tournaments in recent years. I would like to thank all the technical staff and volunteers assisting with the running of the competition.

I would particularly like to thank the AFF Tournament Commission and Directoire Technique. I am sure as always they will do a wonderful job.

To all fencers competing we wish you an enjoyable time and good luck. We hope you make new friends, renew old friendships and take away lasting fond memories of your time in Melbourne.

Dr Frank Walsh
President AFF Ltd

Fencing Victoria President's Message

Fencing Victoria acknowledges the Traditional Owners of the land on which we are meeting. We pay our respects to their Elders, past, present and emerging.

On behalf of the Victorian fencing community, welcome to Melbourne. It is an honour for us to host not only the 2019 D.H. McKenzie Australian National & Veterans Fencing Championships & the U23 National Epee Championship.

This is also the first time an Asian Veterans Circuit competition (part of the calendar for the Fencing Confederation of Asia) is being held in conjunction with an Australian National Competition. We welcome those who are competing on Australian soil for the first time.

During these 3 days of competition, fencers from all over Australia and our neighbouring countries will compete in this facility. It is our hope that your time in Melbourne is punctuated with not only success on the piste, but also with great sportsmanship and the collegiality that comes with community.

No event of this size comes together without volunteers and supporters. Thank you to the Fencing Victoria Executive and their unfailing support, energy and time, the AFF and the TMC. It is important for us all to acknowledge the hundreds (or thousands) of volunteer hours that are associated not only with competitions such as this, but the day to day running of Fencing in Australia. To all those who volunteer in any capacity. THANK YOU!

We also recognise Sport and Recreation Victoria, the City of Melbourne, Vicsport and North Melbourne Football Club for their ongoing support to Fencing Victoria and the State Fencing Centre which we enjoy for this & many other events.
