PARENT'S QUICK GUIDE TO NATIONAL COMPETITIONS

Has your child entered the competition?

Make sure your register your child via JustFence before the close of entries 2 weeks before the competition date.

Review the competition information

Check the schedule, venue location, equipment control times, and confirm travel and accommodation.

Confirm you have the right equipment

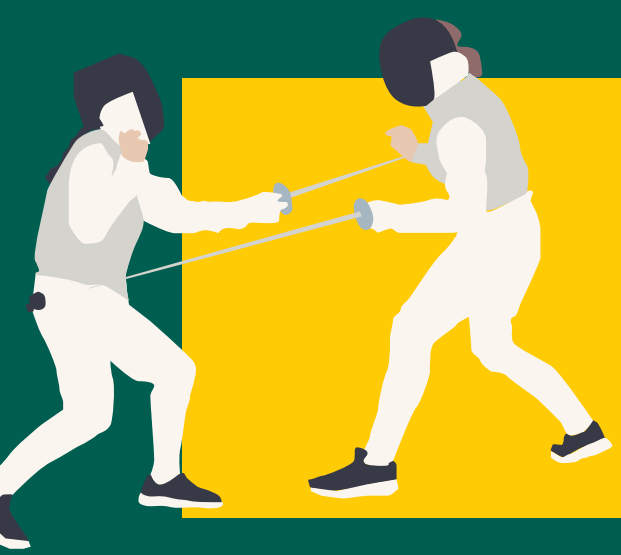
Check the equipment policy to make sure your child has the right equipment for the competition. Prepare spare equipment.

Pack competition bag

Make sure all equipment and spare equipment is packed along with your child's State tracksuit, snacks, water, personal medication, spare clothes and chargers.

Travel to the venue

Aim to arrive 60 to 90 minutes before the competition start time. Make sure your child:
-completes check in with the DT at least 15 mins before the competition start time
-completes equipment control
-completes their warn up.



During the competition

During the competition stay outside the field of play, positively support your child, respect referees, and follow official's directins.
