

Domenic Yates

I am nominating for the Athletes' Commission as I want to ensure that the interests of fencers are well represented in the AFF. I have been fencing for over 14 years and in this time I have won junior and senior national championships and have represented Australia overseas as a member of the HPP. I believe this experience will allow me to represent the interests of fencers competing at both a national and international level.

I am a regular at AFF competitions and if elected will be able to have discussions with athletes to get their opinions and feedback to be relayed to the board. I would love the opportunity to contribute to the Australian Fencing community by representing the interests of athletes and ensuring that our sport is well run and sets athletes up for success.
